

Important information

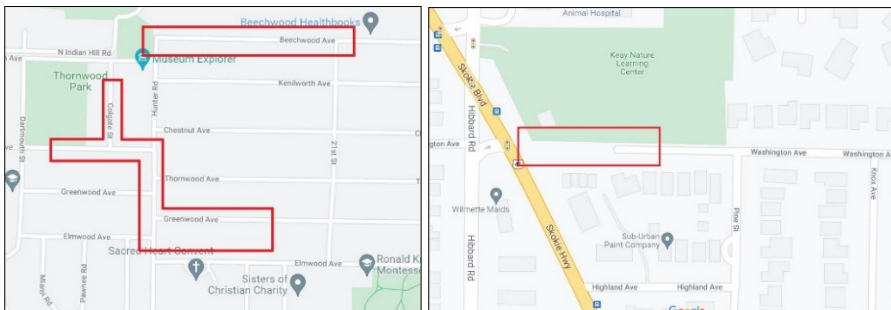

about work in your area

Dear Valued Customer,

Nicor Gas, along with its contractor NPL, will be completing a public improvement project on your street in coordination with stormwater infrastructure improvements being conducted by the Village of Wilmette. As part of this work, NPL will be replacing the natural gas main along your street and the natural gas service line, which connects the main to your property.

After the new service line has been installed, Nicor Gas or NPL will contact you to schedule an appointment to connect the new service line to your property. Your natural gas will need to be shut off for approximately three hours during this stage of the project.

With the ongoing COVID-19 pandemic, our employees and contractors continue to take appropriate precautions when interacting with customers.

Contacts

Construction

Bart Sobol
630.918.2375
bsobol@nicor.com

Landscaping & pavement

Glen Crayton
224.283.2687
gcrayton@nicor.com

Affected areas

2042 – 2245 Beechwood Ave.
1201 – 1233 Colgate St.
2132 – 2301 Greenwood Ave.
1133 Hunter Road
2244 – 2415 Thornwood Ave.
3015 – 3019 Washington Ave.

For your safety

All Nicor Gas employees and contractors will have Nicor Gas, AGL Resources or Southern Company Gas-issued ID cards and will present them if requested. The Nicor Gas contractor working on this project is NPL.

Restore landscaping & pavement

We understand that you value the appearance of your property. Nicor Gas, or one of its contractors, will restore landscaping and paving impacted by our construction to the condition in which it was found.

Temporary restoration of some areas may be necessary until permanent restoration can be completed.

Our commitment

We take great care in implementing construction practices that limit disturbances and we understand your time is valuable. We appreciate your understanding and thank you for allowing us to continue to provide you with safe and reliable natural gas service.
